SENATOR CHAMBERS: Mister...

SPEAKER KRISTENSEN PRESIDING

SPEAKER KRISTENSEN: Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the Legislature, this amendment goes to page 1 of the committee amendments and it would strike the language starting in line 7 through the next line number 1 below it. It would strike all of that material dealing with these sting operations or, as they call them, compliance checks. But before I get into that, I want to ask Senator Bromm some questions because no matter what we talk about before getting to the point where one of these young people is punished, we've got to look at what the hammer is. Senator Bromm, would you answer a question or two, please?

SPEAKER KRISTENSEN: Senator Bromm, would you respond?
